PREAMBLE

THIS AGREEMENT entered into this day of , 199 , by and between the BOROUGH OF HAWTHORNE, in the County of Passaic, New Jersey, a municipal corporation of the State of New Jersey, (hereinafter called the "Borough"), and the SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 74, AFL-CIO, (hereinafter called the "Union"), represents the complete and final understanding on all bargainable issues between the Borough and the Union.

ARTICLE I

RECOGNITION

A. The Borough recognizes the Union as the sole and exclusive representative for the purposes of collective negotiations for all full-time blue collar employees employed by the Borough, by excluding all other employees, clerical employees, policemen, managerial executives, professionals, craftsmen, confidential employees and supervisory employees within the meaning of the Act.

B. Whenever titles are used in this Agreement, they shall be defined to include the plural as well as the singular and to include males and females.

ARTICLE II

DEDUCTIONS FROM SALARY

A. The Borough agrees to deduct the Union monthly membership dues from the salaries of those employees covered by this Agreement who individually request in writing that such deductions be made. Such deductions shall be made in accordance with applicable state statute. Said monies shall be transmitted to the Treasurer of the Union, together with a list of names of all employees for whom the deductions were made by the fifteenth (15th) day of each month of the succeeding month after the deductions were made.

B. If, during the life of this Agreement, there shall be any change in the rate of membership dues, the Union shall furnish to the Borough Clerk written notice sixty (60) days prior to the effective date of said change, and shall furnish to the Borough Clerk new authorization from its membership showing the authorized deduction for each employee.

C. The Union will provide the necessary "check-off authorization" form and deliver the signed form to the Borough Clerk. The Union shall indemnify, defend and save

the Borough harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Borough in reliance upon salary deduction authorization cards submitted by the Union to the Borough, if the conditions of the dues deduction cards have been met by the Borough.

D. In the event that a pay period is missed by an employee for any reason, except termination of employment, then such deduction shall be made from the next pay period worked and so remitted.

E. If there is any alteration in list of names of persons from whom dues are deducted, whether said alteration is an increase or a decrease in the number or amount of deduction, for any reason, the Union shall be notified by mail, at Service Employees International Union, at 175 Hudson Street, Hackensack, New Jersey 07601, of the name of the person and the reason for the said alteration.

ARTICLE II-A

AGENCY SHOP

A. The Borough agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Union and transmit the fee to the majority representative.

B. The deduction shall commence for each employee who elects not to become a member of the Union during the month following written notice from the Union of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.

C. The fair share fee for services rendered by the Union, shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five (85%) percent of the regular membership dues, fees and assessments.

D. The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Union to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure the employees it represents

advances in wages, hours, and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Borough.

E. The Union shall establish and maintain a procedure whereby any individual paying the agency fee can challenge the assessment as computed by the Union. This appeal procedure shall in no way involve the Borough or require the Borough to take any action other than to hold the fee in escrow pending resolution of the appeal.

F. The Union shall indemnify, defend, and save the Borough harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reason of action taken by the Borough in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Union to the Borough, or in reliance upon notification by the Union advising of such changed deductions.

ARTICLE III

HOURS AND OVERTIME

A. The normal working week shall consist of forty (40) hours per week, eight (8) hours per day, five (5) days a week.

B. The working day of the designated operator shall consist of eight (8) hours per day inclusive of one-half ($\frac{1}{2}$) hour per day lunch period. All other employees shall work eight (8) hours per day exclusive of one-half ($\frac{1}{2}$) hour lunch period.

C. Deleted.

D. Where the nature of the work involved requires continuous operations on a twenty-four (24) hour day, seven (7) days per week basis, employees so assigned will have their schedules arranged in a manner which will assure, on a rotation basis, that all employees will have an equal share of Saturdays and Sundays off, distributed evenly through the year.

E. All work performed by employees in excess of eight (8) hours per day or forty (40) hours per week shall be considered overtime. Employee working overtime will receive one and one-half ($1\frac{1}{2}$) times their regular rate of pay for all hours worked beyond forty (40) in a week or eight (8) in a day.

F. Overtime shall be distributed as equitably as possible provided the employee has the ability to do the work, and all employees shall be expected to work a reasonable amount of overtime when requested. An employee who declines an overtime opportunity

or who is not available for the opportunity shall be charged with the opportunity just as though he/she had worked the overtime opportunity.

G. Whenever a pump house operator is required to work on a regularly scheduled holiday, he shall receive as compensation one (1) hour off for each hour worked plus one-half ($\frac{1}{2}$) hour straight-time pay for each such hour worked. All other employees (other than operators) working overtime will receive compensation at the rate of time and one-half ($1\frac{1}{2}$) the employee's regular straight-time pay for each such hour worked in addition to holiday pay.

H. Compensatory time earned under this Article shall be taken by the employee within sixty (60) days of earning such time. The scheduling of such time off will be arranged with the approval of the Director of Public Works. The aforementioned compensatory time may be taken beyond the sixty (60) day period if prior approval is received from the Director of Public Works. The maximum amount of compensatory time that may be accumulated is two hundred forty (240) hours.

I. In the event that an employee is recalled to duty during his regularly scheduled time off, he shall be granted four (4) hours pay if there is no work or less than four (4) hours work to be performed. If the call in assignment results in more than four (4) hours work and up to eight (8) hours work to be performed, pay shall be granted for all eight (8) hours. In the event that an employee is called to duty less than four (4) hours prior to the start of his regularly scheduled shift, pay shall be granted as follows:

Less than one (1) hour, one (1) hour pay;

Less than two (2) hours, but more than one (1) hour, two (2) hours pay;

Less than three (3) hours, but more than two (2) hours, three (3) hours pay;

Less than four (4) hours, but more than three (3) hours, four (4) hours pay;

All call-in pay under this provision shall be granted at one and one-half ($1\frac{1}{2}$) times the employees regular rate of pay.

J. There shall be no pyremiding of overtime.

K. Employees shall not be required to work more than sixteen (16) hours in a row unless mutually agreed to by the employee and the Director of Public Works or his designee. In no case will an employee be permitted to work more than twenty (20) consecutive hours.

After the commencement of an emergency, including snow removal and water breaks, employees working from eight (8) to the sixteen (16) or twenty (20) hour maximum consecutive hours, in accordance with the first paragraph of this section, shall not return to work for at least eight hours; however, if the required eight (8) hour layover after sixteen (16)/twenty (20) consecutive hours of work prevents an employee from working part or all of the employee's regularly scheduled shift, the employee will be paid for the unworked hours of the shift.

The Borough retains the right to determine that an employee has worked too many hours in a row or is otherwise not capable of fully performing his assigned duties. In such cases, the Borough may utilize the services of an independent contractor when no other unit employees are available to perform necessary work.

L. Sewer workers on routine maintenance assignments on Saturday and/or Sunday shall be guaranteed a minimum of three (3) hours pay at one and one-half (1 ½) times the regular straight-time rate of pay.

M. Employees in lower pay levels shall be paid at the appropriate rate when assigned to perform work in higher pay levels. Such pay shall be granted when an employee has worked four (4) or more hours in any given week in the higher pay level. Assignments of less than one (1) hour will not be counted towards the four (4) hour minimum requirement.

N. In case of emergency call-in and for purposes of health and safety, the Borough will provide pump house operator or police officer at the emergency site until a determination is made as to the need for call-in of appropriate assistance.

ARTICLE IV

MANAGEMENT RIGHTS

A. The Borough hereby retains and reserves unto itself, without limitation, all legal powers, legal authority, duties and responsibilities conferred upon and vested in it

prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States.

B. The exercise of the foregoing powers, rights, authority, duties or other responsibilities of the Borough, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the terms of this Agreement, and then only to the extent such terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States.

B. The Union covenants and agrees that neither the Union nor any person acting in its behalf, will cause, authorize, engage in, sanction, assist or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee duties of employment), work stoppage, slowdown, walkout or other job action against the Borough. The Union agrees that such action would constitute a material breach of this Agreement.

C. The Union agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown or other activities aforementioned, or support any such action by any other employee or group of employees of the Borough, and that the Union will publicly disavow such action and order all such members that participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union's order.

D. In the event of a strike, slowdown, work stoppage, or other activity aforementioned, it is covenanted and agreed that participation in any such activity by any employee covered under this Agreement shall entitle the Borough to take any disciplinary action up to and including termination of the employment of such employee or employees.

E. Nothing contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in Law or in equity for injunction or damages, or both, in the event of such breach by the Union or its members.

ARTICLE VI

SEPARABILITY AND SAVINGS

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law or by a Court or other tribunal or competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

ARTICLE VII

MODIFICATION OF AGREEMENT

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by the parties hereto.

ARTICLE VIII

GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement.

2. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.

B. Definition

The term "grievance" as used herein means the interpretation, application or violation of policies, agreements, and administrative decisions which affect the terms and conditions of employment, and may be raised by an individual, the Union on behalf of an individual or individuals, or the Borough.

grievance-arbitration procedure; provided however, that nothing contained herein shall deprive the employer or any employee of any legal rights.

Step One:

- (a) An aggrieved employee or the Union on behalf of an aggrieved employee or employees of the Borough shall institute action under the provisions hereof within five (5) days of the occurrence of the grievance, and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor, for the purpose of resolving the matter informally. Failure to act within said five (5) working days shall be deemed to constitute an abandonment of the grievance.
- (b) The supervisor shall render a decision within five (5) days after receipt of the grievance.

Step Two:

- (a) In the event of an alleged violation, misinterpretation or misapplication of this Agreement only, and in the event a satisfactory Agreement has not been reached at Step One, the employee and the Union shall, in writing, and signed, file his grievance with the Director of Public Works within five (5) days following the determination at Step One.
- (b) A conference will be held with the Director of Public Works, or his designee, within five (5) days following the receipt of the grievance and a decision in writing will be rendered within ten (10) days following the conference.

Step Three:

- (a) In the event the grievance has not been resolved at Step Two, then within ten (10) days following the determination, the matter may be submitted to the Mayor or his designee by the employee and the Union.
- (b) The Mayor, or in his absence his designee, shall review the matter and make a determination within twenty (20) days from the receipt of the grievance.

Step Four - Arbitration:

- (a) If the grievance cannot be satisfactorily adjusted within ten (10) days at Step Three, the Union may refer for final decision and determination to an impartial arbitrator.
- (b) Either party may refer the question to the New Jersey Board of Mediation under whose Rules an arbitrator shall be chosen. The arbitrator shall be bound and governed by the provisions of this Agreement or any amendment or supplement thereto. The costs for the services of the arbitrator shall be borne equally by the Borough and the Union. Any other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.
- (c) The arbitrator shall set forth his findings of fact and reasons for making the award within thirty (30) days after the conclusion of the arbitration hearing.
- (d) The decision of the arbitrator shall be final and binding upon the parties.

D. Grievance initiated by the Borough shall be filed directly with the Union within five (5) days of the occurrence of the grievance. Failure to act within said five (5) working days shall be deemed to constitute an abandonment of the grievance. A meeting shall be held within five (5) days after filing a grievance between representatives of the Borough and the Union, in an earnest effort to adjust the difference between the parties. In the event no such adjustments are satisfactorily made within ten (10) days after such meeting, either party may file within ten (10) days thereafter for arbitration in accordance with this Article.
